Attachment: Two (2) Replacement Sheets containing FIGS. 1 and 2, respectively

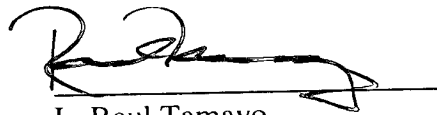

REMARKS

Applicants have submitted herewith two (2) replacement drawing sheets containing FIGS. 1 and 2, respectively. Therein, FIG. 2 has been amended by deleting the Y-axis caption "Viscosity (dyne/cm)" and replacing it with "Surface Tension (dyne/cm)." Support for amended FIG. 2 is provided by the description at page 10, lines 18-20, as well as the title of original FIG. 2, and the fact that the unit "dyne/cm" is the typical unit for surface tension.

No new matter has been added.

Entry and consideration of this Amendment are respectfully requested.

Respectfully submitted,
